

## GRAIN SORGHUM SUPPORT PRICE SET FOR \$1.75 IN COUNTY

Prices for the 1964 crop of grain sorghum will be supported in Jones County through loans and purchases at \$1.75 per hundredweight for grain sorghum grading No. 2 or better, J. E. Nix, Chairman, Agricultural Stabilization and Conservation County Committee, has announced. This compares with the average county loan rate of \$1.71 per hundredweight for 1963 grain sorghum crop.

The Chairman pointed out that the total national support for the 1964 grain sorghum is unchanged from the 1963-crop level of \$2.00 per hundredweight. However, the 1964-crop support reflects an average loan rate of \$1.77 per hundredweight with a payment-in-kind of 23 cents, compared with 1963

crop rates of \$1.71 for loans and 29 cents for payment-in-kind.

Farmers wishing to store their price-support grain sorghum in a terminal warehouse may obtain terminal rates from the ASCS County Office. The 1964 county and terminal rates reflect the 6-cent increase in the loan portion of the support above the 1963 level.

As in the past, county loan rates for major producing areas will reflect terminal loan rates less the freight and handling charges needed to get grain sorghum to terminal markets. Both county and terminal rates will be adjusted by discounts for grade and quality to determine rates for individual producers. The discount schedule is unchanged from that in effect for the 1963 program.

Mr. Nix reminded growers that the price support on the 1964 crop will be available to those grain sorghum producers who participate in the 1964 feed grain program by diverting at least 20 percent of their total grain sorghum, barley, or corn acreage to conserving uses and meeting other provisions of the program.

Price support will be carried out through farm and warehouse-storage loans and purchases. Support will be available from time of harvest through Jan. 31, 1965. Grain sorghum price support loans will mature March 31, 1965.

## Mesquite Control Demonstration Set Near Stamford Fri.

There will be a mesquite and Pricklypear control demonstration on the J. L. Woodson farm near Stamford at 8:30 a.m. on Friday, June 26, according to information this week from Jones County Agent, Kirby Clayton. The J. L. Woodson farm is located 3 miles South of the New Hope School on Farm Road 1226.

There will be no heavy equipment involved in the demonstration, says Clayton, but the various methods of control using the hand sprayer and the Four-On bucket along with others will be discussed and demonstrated.

Control of the pricklypear will also be discussed and demonstrated at this meeting.

All farmers and ranchers interested in controlling small acreages of brush, and pricklypear are especially invited to attend.

For further information on the demonstration, call your County Agent in Anson.

## Abilene Team Downs Merchants Here Sunday, 6-3

West Texas Utilities of Abilene defeated the Hamlin Merchants 6-3 Sunday afternoon in the Hamlin park.

The visitors jumped off to an early lead with three runs off starter and loser Stanley Austin. Hamlin committed two errors in the opening inning.

Austin clouted a three-run homer in the third inning to tie the game but the home nine fell victim to some more poor defensive play and some lousy hitting by the Abilene team in the fourth and fifth innings.

Bob McMillan replaced Austin on the mound in the sixth and seventh innings and hurled scoreless baseball. The Hamlin hitting attack was led by Austin who singled following his round tripper, and by Vern Stewart who collected two singles.

The merchants will play at Hamlin each Wednesday night and Sunday afternoon until the tournament here July 13-20.

## Credit Bureau Office Moves

The local church was the second church in Texas and the seventh church in the South-

## Miss Vaughan, 75, Former Teacher, Buried Here Wed.

Services were held here Wednesday for Miss Lulan Reed Vaughan, 75, former Hamlin school teacher, who died at 3:45 p.m. Monday in a Hillsboro hospital after a lengthy illness.

She had been ill for four years and hospitalized for two years. Funeral was held at 3 p.m. in the First Methodist Church with the pastor, Rev. Royce Womack, officiating. Burial was in Hamlin East Cemetery.

A member of First Methodist Church, she lived at Hamlin from 1905 to 1960 when she moved to Hillsboro. She was born Aug. 12, 1888 in Madisonville, Texas.

She was the daughter of Mr. and Mrs. Sam C. Vaughan. She was graduated from McMurry College of Abilene.

Survivors include three brothers, S. M., Port Arthur; John H., Fort Worth; Tom C., Heber Springs, Ark.; one sister, Mrs. J. V. Howard, Hillsboro and several nieces and nephews.

## Bridge Winners

At the Hamlin Duplicate Bridge Tournament Tuesday Mrs. Harry Yates of Stamford and Mrs. Justin Morrow of Rotan won first place. Mr. and Mrs. Perry Sparks were second and Grady Bowdry of Stamford and Mrs. Starr Inzer won third.

The next meeting will be Tuesday at 7:00 at the Oil Mill Guest House.

Rev. Audly A. Neagle, former Hamlin resident, and now pastor of the Rogers Missionary Baptist Church, was in Hamlin Tuesday. He has recently completed a successful revival at the Pecan Baptist Church at Robert Lee. Several former residents of Hamlin visited services during the revival last week.

Mr. and Mrs. Bill Trimble, Billy, Bimbo, Robbie, and Harold of Amarillo spent the week with his sister, Mrs. A. J. Winegeart and family.

ern Baptist Convention to receive such honor this year. The workers of the school accepted the goal of advanced recognition in the fall when plans for the year were proposed. Several study courses were offered during the year as well as many home study books that were required to finish the training requirement of the ten phase goal.

Twenty individual classes and fifteen departments achieved standard ratings to make the overall award possible.

The pastor, Rev. Hartley also received a certificate of Special Citation for his having concluded the fifth and highest individual award for individual study.

## E. L. Snapp, 53, Buried Sunday in Rotan Cemetery

E. L. Snapp, 53, died at 6:30 p.m. Saturday at his home here. Funeral was held Sunday at 4 p.m. at First Baptist Church by the pastor, the Rev. Lenard Hartley. Burial in Rotan Cemetery under direction of Hamlin Funeral Home.

Mr. Snapp had been a Hamlin resident approximately 20 years as an employee of Mid-west Cooperative Oil Mill. He was born Nov. 27, 1910, in Grayson County, the son of the late Mr. and Mrs. George Snapp. He married the former Helen Marie Montgomery at Rotan about 1929. He was a member of First Baptist Church.

Survivors include his wife; one son, Johnny, of the home; two daughters, Miss Sarah Snapp of Hardin-Simmons University, and Mrs. Jack (Louise) Wilson, 3126 Hunt, Abilene; two brothers, A. C. and David, both of Rotan; four sisters, Mrs. Georgia Lightfoot of Sweetwater, Mrs. Mildred Hearn and Mrs. Madge White, both of Dallas, and Mrs. Amy Summers, Fort Worth; and two grandchildren.

Relatives visiting in the home of Mr. and Mrs. Harold Bonner during the past two weeks include Mr. and Mrs. Owen Bonner of Fort Worth, Mrs. Dick Oster and daughter, Melonie, of Dallas; Mrs. C. R. Jordan, of Monument, New Mex.; Mr. and Mrs. Arley Bever of Granada, Colo. and Mrs. J. W. Clark and Cecil Clark of Sweetwater.

Mrs. Florence Calvert attended a tea in Snyder Saturday evening in the home of Mrs. Ben Dennis. The tea honored Miss Dawnel Wells, bride-elect of Bill Kelly, Abilene, grandson of Mrs. Calvert.

## Beta Theta Sorority Wins Librarian Service Award

Beta Theta Chapter of Beta Sigma Phi was announced last week as a May winner of a Librarian Service Award Contest which was conducted by Beta Sigma Phi, an international organization. The announcement came in a letter to Mrs. Fred B. Moore Jr., chapter program chairman.

Mrs. Dewey Nunley, high school English teacher and librarian, and chapter member, prepared the entry in the contest which consisted of compiling a bibliography of recent books and periodicals for each of the programs in the program book the chapter studied this year.

Five winners, one for each month from January to May, were named, with the five winners to compete for a final award to be given in August.

Awards were sent to Mrs. Nunley and Beta Theta Chapter, and pictures of Mrs. Moore and Mrs. Nunley will appear in the August issue of "The Torch" the official publication of Beta Sigma Phi.

## Rev. Byron Bryant Named Interim Pastor by Baptists

ATTEND  
CHURCH  
SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## RURAL AREAS HAD NOTHING TO DO WITH HOW LEGISLATURE OPERATES, PHILOSOPHER SAYS

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 apparently has found out about the latest Supreme Court Ruling, his letter indicates.

Dear editor:

I'm not going to argue with the Supreme Court — it's like arguing with a woman, you don't get anywhere, even when you're right — but there was something in the newspapers about the results of the decision on redistricting that I want to clear up.

As you know, the Supreme Court says state senates have to follow the same rule as state lower houses, base its membership on population, not on geography.

In reporting this, the newspapers said that city people would be pleased with the decision, that for years the rural areas have held the upper hand in state legislatures.

This is outrageous. They're not going to pin the blame on us country folks. Whatever the state legislature has done in the years past, it was entirely out of our hands. Most of the time I didn't even know a-

bout it till it was done. I had nothing to do with it. Let em go ahead and redistrict, let the cities have all the legislators and senators they can get, and I predict you won't be able to tell the difference.

It will be sort of like giving the vote to women. You know, when women were clamoring for the vote they argued it would be wholesale for politics, it'd clear it up completely, to have the feminine touch felt at the ballot box.

Well, I'm not going to argue about it — arguing with a woman is like arguing with the Supreme Court, you don't get anywhere, even when you're right — but I can't help notice-

### Highway Dept. Publishes Tourist Industry Report

AUSTIN, Texas — The Texas Highway Department today announced publication of the 1963 Texas Tourist Industry Report.

The 16-page booklet describes in striking detail results of the annual survey conducted by the Department. The cover depicts, in brilliant natural color, scenes from the state's outstanding recreational areas.

According to the survey some 11.7 million out-of-state guest came to Texas last year. They poured approximately \$532.2 million into the state's economy. The report points out:

"This was new money, which generated new jobs, new construction, new business. This report is clear proof that every Texan has a stake in the state's travel industry."

The State Highway Department traditionally has been active in promoting tourist travel in Texas. The Department operates seven hospitality centers on key highways entering the state and publishes and distributes travel-oriented literature, including the official Texas Highway map.

ing that we've got about as many investigating committees investigating politicians as we ever had.

The feminine touch, like the rural vote, is a myth when it comes to politics.

By the way, what is the rural vote, anyway? The votes in this precinct around this Johnson grass farm in the last state election went about on exactly the same lines as the vote around the rest of the state, including the cities.

However, if the newspapers say the Supreme Court has now given the upper hand to cities, I say they're welcome to it. Let them take the blame for a while.

Yours faithfully,  
J. A.

## First Baptist Church Honors Hartleys With Reception

Members of the First Baptist Church honored Rev. and Mrs. Lenard Hartley at a reception in the fellowship hall following the Sunday evening worship service. Rev. Hartley, pastor of the local church for the past four years, is now pastor of the Sherwood Baptist Church in Odessa.

The reception was given in appreciation of the work of the pastor and his family in their outstanding ministry while here.

Mr. and Mrs. J. C. Turner were in the receiving line with Rev. and Mrs. Hartley and daughter, Janeth.

Mrs. Fred B. Moore Jr. and Mrs. E. J. Whaley served.

Others serving on the arrangements committee included Mmes. Leldon Clifton, Camille Simmons, Noel Weaver, LaFoy Patterson, Johnnie Agnew, Marvin Carlton, Bill Shira, C. L. Howard, and Arlie Cassle.

Leldon Clifton, chairman of the board of deacons, presented a gift, a silver coffee service,

## Jones County HD Leaders Meet in Agent's Office

The Jones County Home Demonstration Council met for the June meeting in the office of Mary Y. Newberry, County Home Demonstration Agent. Mrs. Elmer Joiner, chairman, presided. Eight clubs were represented with 15 members and three visitors present.

Mrs. Carl Young, recreation leader, led the council in a game. Mrs. Fern Windham conducted a quiz on parliamentary procedure.

Clubs were reminded to bring a nominee to the July Council meeting from which 3 delegates will be selected to attend the State meeting.

Rally day will be held Thursday June 25 at the Anson Lions Club Building. Registration will begin at 10 a.m. Each member is to bring a covered dish and a "white elephant gift" to exchange.

Mrs. Newberry announced that she will attend a Color Design Workshop to be held in Lubbock.

to the Hartleys from the church.

MRS. LOYD CLARKE SENN  
... formerly Billye Frank Blankinship

## BLANKINSHIP-SENN VOWS READ HERE SATURDAY EVENING

Billye Frank Blankinship, daughter of Mr. and Mrs. T. C. Blankinship, became the bride of Loyd Clarke Senn, son of Mr. and Mrs. L. C. Senn of Rotan, in a double ring ceremony in the Hamlin Church of Christ Saturday at 7:30 p.m. Thomas E. Cudd, minister of the local church, officiated.

Given in marriage by her father, the bride wore a white full length gown of delustered satin accented with alencon lace. The fitted bodice featured lace accents at the low round neckline and long tapered sleeves. The lace was repeated in panels on the skirt which swirled into a sweet train. Her pill box tiara was covered with pearls and held a fingertip veil of illusion. She carried a white orchid bouquet atop a white Bible.

Sandra Sanchez of El Paso was maid of honor. Bridesmaids were Pat Blankinship, sister of the bride, of Hamlin, Judy Echols of Coahoma and Pamela Smith.

The attendants wore sheath dresses of white satin brocade

with matching pill box hat. Each carried a single long stemmed red rose.

Kay Andrews was flower girl. Mitch Wilson was ring bearer.

Dr. Maurice Callan of Rotan was best man. Groomsmen were Wallace Vernon of Amarillo, Stephen Lazarus of Big Spring, and B. J. Ray of Haskell.

Ushers were Jim Witte of Houston, Frankie Duncan of Merkel, cousin of the bride, O. H. Weaver, Anthony Rhodes of Big Spring.

Doyle Bell and Benny Blankinship of Stephenville, cousin of the bride, were candlelighters.

The reception was held at the church following the ceremony.

The couple will be at home at 1635 Avenue M, Apt. 3, in Houston after June 30. The bridegroom is executive vice president of Senn Enterprises at Houston.

The bride was graduated from Hamlin High School in 1963. She attended Howard County Junior College where she was a member of the col-

The Kemp Circle of the W. S. C. S., First Methodist Church, met Tuesday morning in the home of Mrs. L. C. Bonds for organization and election of new officers.

Mrs. W. J. Kemp, chairman, will be assisted by Mrs. Glen Simmons, vice chairman; Mrs. W. T. Johnson, treasurer.

The election of officers was preceded by the program which was opened with prayer by Mrs. Bond. Mrs. Royce Womack presented the program, "The Global Christ."

lege choir, Women's Recreational Association, and the Jayhawk Queen's basketball team.

Senn was graduated from Rotan High School in 1958 and received a degree in applied arts this year from Howard County Junior College. He was student body president, listed in Who's Who in American Junior Colleges, and is a past state director of the Texas Junior Chamber of Commerce.

The rehearsal dinner was hosted by the bridegroom's parents at Hickman's Restaurant in Aspermont.

chairman presided.

Mrs. L. H. McBride gave the closing prayer.

The McBride Circle met in the home of Mrs. J. E. Harrison Tuesday morning at 10 o'clock. Mrs. Harrison, circle

The July 7 general meeting was announced. Members were urged to attend.

The program was a round table discussion concerning Christian Principals.

Eight members and a guest, Mrs. George Geldard, were

present. The meeting was closed with a prayer by Mrs. Bill Davis.

## Used Safety Tape

If you use the same jacket for hunting both deer and ducks, you've got a problem.

Wear a red or yellow jacket and you'll spook ducks two miles away. Wear an olive-drab one and you're apt to get elated by a cross-eyed deer hunter.

Here's the solution: Buy the olive-drab jacket for duck hunting, then when you go after deer, mark the back and sleeves with industrial adhesive tape.

These stripes of bright yellow will distinguish you from the deer.

By MRS. ELMER JOINER

At last summer has arrived, if it is any hotter than spring has been the temperature is going to have to really soar. Just one week has passed since rain fell but the hot weather has dried out the ground so much that we hear folks wishing for rain again.

Mrs. R. O. Clements and her two sons with their families, were visitors with her sister, Mrs. Flavil Holmes, Saturday. The Clements family live at Pampa and are here because of the illness of Mr. Clements father, Mr. Bob Clements, of Peacock, a patient in the Stamford Hospital.

Mrs. Woodrow Goodwin, who is recuperating from recent surgery, has not been doing as well as she had hoped, but we are hoping that given a little time, she will soon be feeling better.

Visitors in church Sunday helped out our attendance, always glad to have visitors, we welcomed Mr. and Mrs. Jimmy Henry, Cathy and Judy, Midland, who came with his parents, Mr. and Mrs. E. A. Henry. Coming with Mr. and Mrs. Elmer Joiner were, Mr. and Mrs. Jimmy Joiner, Ronald and Jeannie, from Stamford.

Sunday being Father's Day, and the young folks having the devotional, they put on a lovely program, honoring the fathers.

Mr. and Mrs. Marvin Johnson, Bruce and Barry, came from Amarillo, over the week end to visit with their parents, the Grays and Johnsons. His brother, Rev. Dennis Johnson, filled the pulpit at the Nazarene Church this week and next, in absence of the pastor, so all

the family went to hear the son and brother deliver the sermon, excepting one brother who could not be present but his children were there. After church the family spread their lunch in the Fellowship Hall of the church, being joined by Mr. and Mrs. Winson Gray, who had accompanied them to church.

We made a boo boo recently, when we reported that the Marvin Johnsons were gone on vacation leaving the sons with the grandparents which proves that when you are listening for news, you had better re-check to see if you have it right. Any way some of these days they are going and the sons are going to get to stay.

MBR. and Mrs. Joe Ford spent Sunday with their son, H. L. and family.

Mr. and Mrs. Hawk Davis and son, from Midland, visited with her uncle, Mr. and Mrs. Woodrow Goodwin and Linda, Sunday.

We are proud of one of our girls, Nancy Ford, who with Mary Lois Patterson, were picked by the Hamlin School, to attend the Girls State Convention, at Austin, to represent their school.

Mrs. Mary E. Tanner and Larry, were guests of her daughter, Rev. and Mrs. Kenneth Leverett, Kimmie and Kristie, over the week end. Larry played in the tennis tournament, sponsored by the J. C.'s, having won the 18 and under singles and the open men's doubles.

Spencer Ford visited in Abilene, from Thursday to Saturday, with his cousins Ronnie and Russel Herrington.

Mr. and Mrs. E. A. Henry

went to Snyder, Tuesday night, to visit her brother, Mr. J. E. Boyd, of that city, who has been seriously ill in the hospital.

Buster Mackey, nephew of Winson Gray, arrived Saturday morning, from Los Angeles, California, for another visit with the Gray's this summer.

Mr. and Mrs. Henry report that their son, Clois Henry, has moved from Snyder to San Angelo, where Mrs. Henry is teaching this summer in the college there, and beginning this fall will be associated with the school system in the administrative field.

Mmes. Carl Young, J. E. McCoy and Elmer Joiner, attended the Jones County council meeting, of the H. D. Clubs, in Anson, last Wednesday.

This coming Wednesday night, the Family Night Committee, of the church, announces an ice cream supper after the weekly prayer service, to

250 COUNSELING POSITIONS OPEN IN REHABILITATION FIELD

W. A. Hazlewood, Office Manager of the Abilene office of the Texas Employment Commission, urges Texans of both sexes with college degrees and an interest in youth, to apply at the TEC office for one of the 250 counseling positions to be filled in preparation for a concerted state-federal effort to upgrade the work skills and employability of disadvantaged youth.

"The success of this intensive effort to motivate and to rehabilitate thousands of Texas youth who are unskilled and unemployed will depend to a great extent upon the caliber of the counselors we are able to recruit to work with them," Hazlewood said.

In pilot projects it has been discovered that young counselors in their early and middle twenties often do a superior

job of working with school drop-outs and other troubled youth. For this reason, Hazlewood urges recent college graduates who enjoy working with youth to apply for one of these challenging positions. Applicants of all ages are needed and are urged to apply, however.

"No experience is required, and your degree can be in any field," Hazlewood states, adding that selection will be based on interviews, personal and professional references, and a written examination to be given at the Abilene office on June 27.

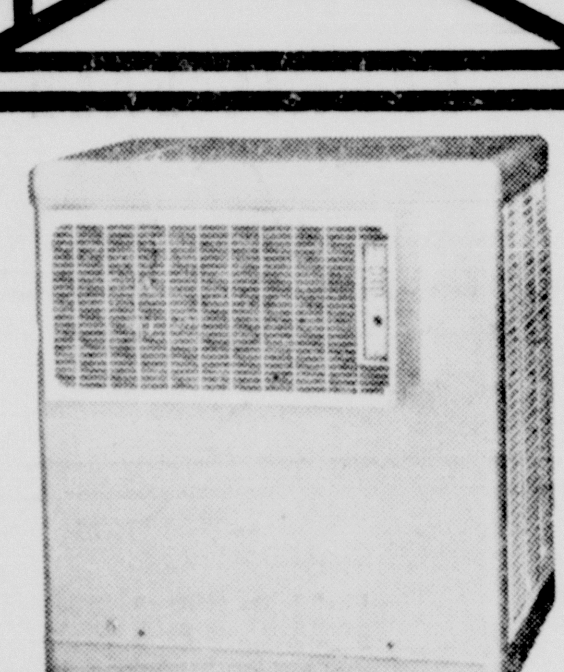

An intensive 8- to 10-week training program in techniques of counseling and other aspects of this effort to rehabilitate unskilled, jobless youth will be given counselors selected at a major Texas college beginning around the middle of July. During this training period, trainees will be paid subsistence and transportation costs. This training will be conducted by college teachers.

"Counselors will give intensive personal attention to all employment-related needs of disadvantaged youth, working closely with schools, community agencies, governmental groups, and employers to achieve the best possible utilization and coordination of the community's resources," Hazlewood said.

Additional information and application forms may be obtained at the TEC office at Abilene.

# OLD GLORY ...

By Judy White

Mrs. Otto Dudensing has been a patient in the Haskell County Hospital. We hope she will have a speedy recovery.

Mr. and Mrs. Lloyd Jernigan and children, Anita, Lloyd Jr., Ronnie, Linda, and Joe have moved to Fort Worth. We regret to lose this family.

Mrs. Katie Gerloff spent last week in Abilene visiting with her son and wife, Mr. and Mrs. Raymond Gerloff.

Mrs. Ronald David Mathews the former Clarice Leverett was honored with a gift tea on Tuesday, June 16, in the home of Mrs. Beno Hertenberger.

The Mathews, who reside in Abilene, were married on May 22, and have recently returned from the honeymoon to the World's Fair in New York.

4-H

The Old Glory Junior Boys 4-H Club met in the home Mrs. Hazel Letz on June 17, 1964, at 8:00 p.m. for a regular meeting. A discussion on Farm and Home Safety was the topic.

Those present were Jimmy Leverett, Kenneth Jones, Johnny Garner, Cody Bridges, Weldon Spitzer, Gary Teichelman, Steve Letz, Dale Letz, Russell Letz, Herbie Woodridge, Dewey Dudensing. Adult leaders, Mrs. Hazel Letz, Mrs. Billie Bridges and Mrs. Euna Jones. Eight mothers were also present.

Refreshments of ice cream, cake and cookies were enjoyed by all. Plans were made for a swimming party later.

Sharon Leverett daughter of

Mr. and Mrs. V. R. Leverett is in Houston this week attending a meeting of the State 4-H Council. Sharon is information chairman for 1964 on the State Council.

Sharon Leverett and Judy White attended the Haskell County girls 4-H camp at Haskell on Friday, June 19. They were on the camp recreation committee and assisted in leading various camp activities.

Four Stonewall County 4-Hers attended District III 4-H Leadership camp at Leaders on June 15, 16 and 17.

The group attended classes in wildlife, plant life, money management, photography and recreation. Each class was taught by a specialist in that field. They also participated in swimming and other recreational activities.

On Monday night the girls presented a skit in the Amateur Talent Program at the camp.

Sharon Leverett, one of the girls from here who attended as a member of the State 4-H Council, assisted with the recreational activities, vespers services and presided over the general assembly on Wednesday morning.

The three other girls from Stonewall County who attended were Carolyn Sander, Reva Letz, and Judy White.

On Wednesday morning, summations were given in each of the five different subject matter groups. Reva Letz participated in the skit on plant life and Judy White gave the report on Money Management.

Mrs. Bernice White adult leader, accompanied the girls. County Agent Truette Hennig also attended the camp.

# AGENT SAYS NOW IS THE TIME TO DECIDE TO SIDEDRESS COTTON

It's time for a decision on whether to apply fertilizer to cotton in a sidedress operation, says County Agent Kirby Clayton.

The application of adequate plant nutrients in proper balance to meet the requirements of the cotton plant is now accepted as being one of the most profitable practices on the Plains. In producing 1½ bales cotton an acre, about 65 pounds nitrogen, 33 pounds phosphorus (P205), and 44 pounds potash (K20) is actually removed from the soil in the lint, seed and burs. If the soil is not capable of meeting these demands it then becomes necessary to add the nutrients in one form or another, usually as commercial fertilizer. The best method presently known for determining the soil nutrient status is the soil test.

It is usually considered desirable to apply about half the nitrogen and all the phosphate and potash (where needed) as a preplant on irrigated cotton. However, the fertilizer can be applied as a sidedress with equal response if certain factors are kept in mind, continues the agent. By following the preplant plan just mentioned, a possibility of early deficiencies can be avoided. Also, the use of additional nitrogen—preferably by the time squares begin to set—can be increased or decreased, depending on the season and general crop prospects.

Some dryland producers prefer to delay fertilizer application until the crop is to a stand or until the moisture situation appears adequate. On sandier soils known to be deficient in plant nutrients, the use of fertilizer has been profitable for the past several years. On sandy soils with very low organic matter that have produced very short stalks in seasons of favorable rainfall, up to 30 pounds of nitrogen per acre has paid good dividends. Where phosphorus is extremely low, phosphate has been necessary along with the nitrogen to get the desirable increases. Up to 20 to 30 pounds P205 should be considered.

Cotton has its heaviest nutrient requirement while actively fruiting. For best response fertilizers should be applied ahead of this period. Where phosphate is used it is essential the material be placed deep enough so that it will be within reach of the permanent roots. If phosphate is placed near the surface where subjected to the

alternate drying and wetting it cannot be utilized by the plant since it moves little from the point of application. Nitrogen moves freely with soil water and for this reason its replacement is less critical.

Another important factor to consider in placement is the hazard of root pruning that can damage the crop. Determine the extent of the lateral root

system with a spade. Then apply the fertilizer just ahead of the rapidly expanding root system. For older cotton, it would probably be best to apply fertilizer in the center of the middle to minimize pruning. In either case one chisel per middle is suggested.

Sidedressing offers an excellent opportunity to balance out your fertilizer use program for

this cotton crop. If preplant application was omitted or you think it was inadequate to produce the yields you have the potential of producing with the season, additional fertilizer will probably pay. If you applied sufficient fertilizer earlier, some of your nitrogen may have been lost through leaching if you have had heavy rain fall on the sandy soils.

For a child or an adult to achieve properly and efficiently they must have good vision. Only a vision specialist giving a thorough examination can determine your visual needs. A thorough examination takes time.

## GRAIN SORGHUM SUPPORT PRICE SET FOR \$1.75 IN COUNTY

Prices for the 1964 crop of grain sorghum will be supported in Jones County through loans and purchases at \$1.75 per hundredweight for grain sorghum grading No. 2 or better, J. E. Nix, Chairman, Agricultural Stabilization and Conservation County Committee, has announced. This compares with the average county loan rate of \$1.71 per hundredweight for 1963 grain sorghum crop.

The Chairman pointed out that the total national support for the 1964 grain sorghum is unchanged from the 1963-crop level of \$2.00 per hundredweight. However, the 1964-crop support reflects an average loan rate of \$1.77 per hundredweight with a payment-in-kind of 23 cents, compared with 1963

crop rates of \$1.71 for loans and 29 cents for payment-in-kind.

Farmers wishing to store their price-support grain sorghum in a terminal warehouse may obtain terminal rates from the ASCS County Office. The 1964 county and terminal rates reflect the 6-cent increase in the loan portion of the support above the 1963 level.

As in the past, county loan rates for major producing areas will reflect terminal loan rates less the freight and handling charges needed to get grain sorghum to terminal markets. Both county and terminal rates will be adjusted by discounts for grade and quality to determine rates for individual producers. The discount schedule is unchanged from that in effect for the 1963 program.

Mr. Nix reminded growers that the price support on the 1964 crop will be available to those grain sorghum producers who participate in the 1964 feed grain program by diverting at least 20 percent of their total grain sorghum, barley, or corn acreage to conserving uses and meeting other provisions of the program.

Price support will be carried out through farm and warehouse-storage loans and purchases. Support will be available from time of harvest through Jan. 31, 1965. Grain sorghum price support loans will mature March 31, 1965.

## Mesquite Control Demonstration Set Near Stamford Fri.

There will be a mesquite and pricklypear control demonstration on the J. L. Woodson farm near Stamford at 8:30 a.m. on Friday, June 26, according to information this week from Jones County Agent, Kirby Clayton. The J. L. Woodson farm is located 3 miles south of the New Hope School on Farm Road 1226.

There will be no heavy equipment involved in the demonstration, say Clayton, but the various methods of control using the hand sprayer and the Pour-On bucket along with others will be discussed and demonstrated.

Control of the pricklypear will also be discussed and demonstrated at this meeting.

All farmers and ranchers interested in controlling small acreages of brush, and pricklypear are especially invited to attend.

For further information on the demonstration, call your County Agent in Anson.

## Abilene Team Downs Merchants Here Sunday, 6-3

West Texas Utilities of Abilene defeated the Hamlin Merchants 6-3 Sunday afternoon in the Hamlin park.

The visitors jumped off to an early lead with three runs off starter and loser Stanley Austin. Hamlin committed two errors in the opening inning.

Austin clouted a three-run homer in the third inning to tie the game but the home nine fell victim to some more poor defensive play and some lusty hitting by the Abilene team in the fourth and fifth innings.

Bob McMillan replaced Austin on the mound in the sixth and seventh innings and hurled scoreless baseball. The Hamlin hitting attack was led by Austin who singled following his round tripper, and by Vern Stewart who collected two singles.

The merchants will play at Hamlin each Wednesday night and Sunday afternoon until the tournament here July 13-20.

## Credit Bureau Office Moves

Mrs. Johnny Steele, operator of the credit bureau here, announced this week that she would be handling the credit reporting from Nunley Plumbing and Builder's Supply.

Information concerning the credit bureau may be obtained during regular hours.

## BAPTIST CHURCH RECEIVES TOP SUNDAY SCHOOL AWARD

The highest award for outstanding work in Sunday School ministry was awarded last Sunday to the First Baptist Church here. A recognition of "Advanced Standard Sunday School" was presented by the pastor, Rev. Lenard Hartley, to Noel Weaver, Sunday school superintendent and S. L. Tate Jr., education director, in behalf of all the workers and teachers.

The local church was the second church in Texas and the seventh church in the Southern Baptist Convention to receive such honor this year. The workers of the school accepted the goal of advanced recognition in the fall when plans for the year were proposed. Several study courses were offered during the year as well as many home study books that were required to finish the training requirement of the ten phase goal.

Twenty individual classes and fifteen departments achieved standard ratings to make the overall award possible.

The pastor, Rev. Hartley also received a certificate of Special Citation for his having concluded the fifth and highest individual award for individual study.

Services were held here Wednesday for Miss Lulan Reed Vaughan, 75, former Hamlin school teacher, who died at 3:45 p.m. Monday in a Hillsboro hospital after a lengthy illness.

She had been ill for four years and hospitalized for two years. Funeral was held at 3 p.m. in the First Methodist Church with the pastor, Rev. Royce Womack, officiating. Burial was in Hamlin East Cemetery.

A member of First Methodist Church, she lived at Hamlin from 1905 to 1960 when she moved to Hillsboro. She was born Aug. 12, 1888 in Madisonville, Texas.

She was the daughter of Mr. and Mrs. Sam C. Vaughan. She was graduated from McMurry College of Abilene.

Survivors include three brothers, S. M., Port Arthur; John H., Fort Worth; Tom C., Heber Springs, Ark.; one sister, Mrs. J. V. Howard, Hillsboro and several nieces and nephews.

## Bridge Winners

At the Hamlin Duplicate Bridge Tournament Tuesday Mrs. Harry Yates of Stamford and Mrs. Justin Morrow of Rotan won first place. Mr. and Mrs. Perry Sparks were second and Grady Bowdry of Stamford and Mrs. Starr Inzer won third.

The next meeting will be Tuesday at 7:00 at the Oil Mill Guest House.

Rev. Audley A. Neagle, former Hamlin resident, and now pastor of the Rogers Missionary Baptist Church, was in Hamlin Tuesday. He has recently completed a successful revival at the Pecan Baptist Church at Robert Lee. Several former residents of Hamlin visited services during the revival last week.

Mr. and Mrs. Bill Trimble, Billy, Bimbo, Robbie, and Harold of Amarillo spent the week with his sister, Mrs. A. J. Winegart and family.

## E. L. Snapp, 53, Buried Sunday in Rotan Cemetery

E. L. Snapp, 53, died at 6:30 p.m. Saturday at his home here.

Funeral was held Sunday at 4 p.m. at First Baptist Church by the pastor, Rev. Lenard Hartley. Burial in Rotan Cemetery under direction of Hamlin Funeral Home.

Mr. Snapp had been a Hamlin resident approximately 20 years as an employee of Midwest Cooperative Oil Mill. He was born Nov. 27, 1910, in Grayson County, the son of the late Mr. and Mrs. George Snapp. He married the former Helen Marie Montgomery at Rotan about 1929. He was a member of First Baptist Church.

Survivors include his wife, one son, Johnny, of the home; two daughters, Miss Sarah Snapp of Hardin-Simmons University, and Mrs. Jack (Louise) Wilson, 3126 Hunt, Abilene; two brothers, A. C. and David, both of Rotan; four sisters, Mrs. Georgia Lightfoot of Sweetwater, Mrs. Mildred Hearn and Mrs. Madge White, both of Dallas, and Mrs. Amy Summers, Fort Worth; and two grandchildren.

Relatives visiting in the home of Mr. and Mrs. Harold Bonner during the past two weeks include Mr. and Mrs. Owen Bonner of Fort Worth, Mrs. Dick Oster and daughter, Melonie, of Dallas; Mrs. C. R. Jordan, of Monument, New Mex.; Mr. and Mrs. Arley Beyer of Granada, Colo. and Mrs. J. W. Clark and Cecil Clark of Sweetwater.

Mrs. Florence Calvert attended a tea in Snyder Saturday evening in the home of Mrs. Ben Dennis. The tea honored Miss Dawnell Wells, bride-elect of Bill Kelly, Abilene, grandson of Mrs. Calvert.

## Beta Theta Sorority Wins Librarian Service Award

Beta Theta Chapter of Beta Sigma Phi was announced last week as a May winner of a Librarian Service Award Contest which was conducted by Beta Sigma Phi, an international organization. The announcement came in a letter to Mrs. Fred B. Moore Jr., chapter program chairman.

Mrs. Dewey Nunley, high school English teacher and librarian, and chapter member, prepared the entry in the contest which consisted of compiling a bibliography of recent books and periodicals for each of the programs in the program book the chapter studied this year.

Five winners, one for each month from January to May, were named, with the five winners to compete for a final award to be given in August.

Awards were sent to Mrs. Nunley and Beta Theta Chapter, and pictures of Mrs. Moore and Mrs. Nunley will appear in the August issue of "The Torch" the official publication of Beta Sigma Phi.

## Rev. Byron Bryant Named Interim Pastor by Baptists

Rev. Byron Bryant, head of religious activities for Hardin-Simmons University, Abilene, has been called as interim supply pastor of the First Baptist Church here. He assumed the responsibilities at the church Wednesday evening and will serve the church for Wednesday evening and Sunday services.

The former pastor, Rev. Lenard Hartley, is now pastor of the Sherwood Baptist Church in Odessa.

## Two Hamlin Youths Named Delegates

Pat Casey Batchelor, son of Mr. and Mrs. George W. Batchelor, and Bernard Allen Cumble, son of Mr. and Mrs. B. A. Cumble Jr., have been designated as delegates to the Second Annual Attorney General's Youth Conference to be held in the State Capitol July 10, 11 and 12.

## 'SIGNING PARTY' PLANNED SATURDAY FOR '64 ANNUALS

The 1964 annuals for Hamlin High School have been published and word has been received that copies of the '64 PIPER have been shipped by Taylor Publishing Company, publishers.

The yearbook will be distributed at the "annual signing party" in the high school cafeteria to be held Saturday, June 27, at 7:30 p.m. sponsored by the PIPER staff. The 1965 PIPER staff will also be announced and pins will be presented to members of the 1964 staff.

All students and teachers are to bring their yearbook receipts. A limited supply of annuals may be purchased for \$5.00.

Those unable to receive this yearbook at this time should contact Jack Townley Jr. or Judy Jenkins.

Members of the 1964 PIPER STAFF include: Townley, editor-in-chief; Miss Jenkins, assistant editor-in-chief; Kay McCoy, business manager; Carolyn Reynolds, assistant business manager; Ronnie Sipe and Marsha Goodgame, senior editors; Gary Cauble and Mary Lois Patterson, junior editors; Glenda Hudspeth and Mike Rountree, sophomore editors; Dennis Weaver and Alanna Kennedy, freshmen editors; Rose Lovel and Mary Margaret Turner, typists; Nick Moore, sports editor; Jimmy Hawkins, photographer; and Mrs. Joe Wayne Carter, sponsor.

"Open The Door To '64" is the theme of this year's annual.

## HIS FAVORITE...

Ah! Just smell that... This is his favorite... prepared just the way he likes it. He's in for

a real treat. Everyone has certain foods that they prefer over others and this is his.

Many people have favorite scriptures... these words can excite and satisfy

the soul as certain foods satisfy the taste palates.

The soul needs nourishment too. The church offers the best

opportunities to satisfy your spiritual needs.

ATTEND  
CHURCH  
SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## RURAL AREAS HAD NOTHING TO DO WITH HOW LEGISLATURE OPERATES, PHILOSOPHER SAYS

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 apparently has found out about the latest Supreme Court Ruling, his letter indicates.

Dear editor:

I'm not going to argue with the Supreme Court — it's like arguing with a woman, you don't get anywhere, even when you're right — but there was something in the newspapers about the results of the decision on redistricting that I want to clear up.

As you know, the Supreme Court says state senators have to follow the same rule as state lower houses, base its membership on population, not on geography.

In reporting this, the newspapers said that city people would be pleased with the decision, that for years the rural areas have held the upper hand in state legislatures.

This is outrageous. They're not going to pin the blame on us country folks. Whatever the state legislature has done in the years past, it was entirely out of our hands. Most of the time I didn't even know a-

bout it till it was done. I had nothing to do with it. Let em go ahead and redistrict, let the cities have all the legislators and senators they can get, and I predict you won't be able to tell the difference.

It will be sort of like giving the vote to women. You know, when women were clamoring for the vote they argued it would be wholesale for politics, it'd clear it up completely, to have the feminine touch felt at the ballot box.

Well, I'm not going to argue about it — arguing with a woman is like arguing with the Supreme Court, you don't get anywhere, even when you're right — but I can't help notice-

### Highway Dept. Publishes Tourist Industry Report

AUSTIN, Texas — The Texas Highway Department today announced publication of the 1963 Texas Tourist Industry Report.

The 16-page booklet describes in striking detail results of the annual survey conducted by the Department. The cover depicts, in brilliant natural color, scenes from the state's outstanding recreational areas.

According to the survey some 11.7 million out-of-state guests came to Texas last year. They poured approximately \$532.2 million into the state's economy. The report points out:

"This was new money, which generated new jobs, new construction, new business. This report is clear proof that every Texan has a stake in the state's travel industry."

The State Highway Department traditionally has been active in promoting tourist travel in Texas. The Department operates seven hospitality centers on key highways entering the state and publishes and distributes travel-oriented literature, including the official Texas Highway map.

ing that we've got about as many investigating committees investigating politicians as we ever had.

The feminine touch, like the rural vote, is a myth when it comes to politics.

By the way, what is the rural vote, anyway? The votes in this precinct around this Johnson grass farm in the last state election went about on exactly the same lines as the vote around the rest of the state, including the cities.

However, if the newspapers say the Supreme Court has now given the upper hand to cities, I say they're welcome to it. Let them take the blame for a while.

Yours faithfully,  
J. A.

## First Baptist Church Honors Hartleys With Reception

Members of the First Baptist Church honored Rev. and Mrs. Lenard Hartley at a reception in the fellowship hall following the Sunday evening worship service. Rev. Hartley, pastor of the local church for the past four years, is now pastor of the Sherwood Baptist Church in Odessa.

The reception was given in appreciation of the work of the pastor and his family in their outstanding ministry while here.

Mr. and Mrs. J. C. Turner were in the receiving line with Rev. and Mrs. Hartley and daughter, Janeth.

Mrs. Fred B. Moore Jr. and Mrs. E. J. Whaley served.

Others serving on the arrangements committee included Mmes. Leldon Clifton, Camille Simmons, Noel Weaver, LaFoy Patterson, Johnie Agnew, Marvin Carlton, Bill Shira, C. L. Howard, and Arlie Cassie.

Leldon Clifton, chairman of the board of deacons, presented a gift, a silver coffee service,

## Jones County HD Leaders Meet in Agent's Office

The Jones County Home Demonstration Council met for the June meeting in the office of Mary Y. Newberry, County Home Demonstration Agent. Mrs. Elmer Joiner, chairman, presided. Eight clubs were represented with 15 members and three visitors present.

Mrs. Carl Young, recreation leader, led the council in a game. Mrs. Fern Windham conducted a quiz on parliamentary procedure.

Clubs were reminded to bring a nominee to the July Council meeting from which 3 delegates will be selected to attend the State meeting.

Rally day will be held Thursday June 25 at the Anson Lions Club Building. Registration will begin at 10 a.m. Each member is to bring a covered dish and a "white elephant gift" to exchange.

Mrs. Newberry announced that she will attend a Color Design Workshop to be held in Lubbock.

to the Hartleys from the church.

MRS. LOYD CLARKE SENN  
... formerly Billye Frank Blankinship

## BLANKINSHIP-SENN VOWS READ HERE SATURDAY EVENING

Billye Frank Blankinship, daughter of Mr. and Mrs. T. C. Blankinship, became the bride of Loyd Clarke Senn, son of Mr. and Mrs. L. C. Senn of Rotan, in a double ring ceremony in the Hamlin Church of Christ Saturday at 7:30 p.m. Thomas E. Cudd, minister of the local church, officiated.

Given in marriage by her father, the bride wore a white full length gown of delustered satin accented with aleneon lace. The fitted bodice featured lace accents at the low round neckline and long tapered sleeves. The lace was repeated in panels on the skirt which swirled into a sweet train. Her pill box tiara was covered with pearls and held a fingertip veil of illusion. She carried a white orchid bouquet atop a white Bible.

Sandra Sanchez of El Paso was maid of honor. Bridesmaids were Pat Blankinship, sister of the bride, of Hamlin, Judy Echols of Coahoma and Pamela Smith.

The attendants wore sheath dresses of white satin brocade with matching pill box hat. Each carried a single long stemmed red rose.

Kay Andrews was flower girl. Mitch Wilson was ring bearer.

Dr. Maurice Callan of Rotan was best man. Groomsmen were Wallace Vernon of Amarillo, Stephen Lazerus of Big Spring, and B. J. Ray of Haskell.

Ushers were Jim Witte of Houston, Frankie Duncan of Merkel, cousin of the bride, O. H. Weaver, Anthony Rhodes of Big Spring.

Doyle Bell and Benny Blankinship of Stephenville, cousin of the bride, were candlelighters.

The reception was held at the church following the ceremony. The couple will be at home at 1635 Avenue M, Apt. 3, in Houston after June 30. The bridegroom is executive vice president of Senn Enterprises at Houston.

The bride was graduated from Hamlin High School in 1963. She attended Howard County Junior College where she was a member of the college choir, Women's Recreational Association, and the Jayhawk Queen's basketball team.

Senn was graduated from Rotan High School in 1958 and received a degree in applied arts this year from Howard County Junior College. He was student body president, listed in Who's Who in American Junior Colleges, and is a past state director of the Texas Junior Chamber of Commerce.

The rehearsal dinner was hosted by the bridegroom's parents at Hickman's Restaurant in Aspermont.

## FIRST METHODIST CIRCLES MEET

The circles of the Woman's Society of Christian Service of the First Methodist Church met this week.

Circle No. 1 met in the home of Mrs. Ed Bailey Monday at 9 a.m. to elect officers for the new year.

The meeting was opened with prayer by Mrs. W. B. Cotten. Mrs. Bailey presided.

Mrs. Jack Vaughan was elected chairman; Mrs. A. B. Carlton vice chairman; Mrs. O. D. Rowland, treasurer; and Mrs. E. J. Hawkins, secretary-reporter.

The hostess served refreshments to the seven members present.

Circle No. 2, met with Mrs. V. V. Anderson Monday afternoon at 3 p.m. for a business meeting and election of officers.

Mrs. E. M. Wilson opened the meeting with prayer.

Mrs. B. H. Gardner was elected chairman; Mrs. Tom Teague, co-chairman; Mrs. Fred Carpenter, treasurer; Mrs. Anderson, secretary-reporter.

The meeting was closed with prayer by Miss Eleanor Temple. Next meeting of The Gardner Circle will meet July 27.

The Kemp Circle of the W. S. C. S., First Methodist Church, met Tuesday morning in the home of Mrs. L. C. Bonds for organization and election of new officers.

Mrs. W. J. Kemp, chairman, will be assisted by Mrs. Glen Simmons, vice chairman; Mrs. W. T. Johnson, treasurer.

The election of officers was preceded by the program which was opened with prayer by Mrs. Bond. Mrs. Royce Womack presented the program, "The Global Christ."

If you use the same jacket for hunting both deer and ducks, you've got a problem.

Wear a red or yellow jacket and you'll spook ducks two miles away. Wear an olive-drab one and you're apt to get elated by a cross-eyed deer hunter.

Here's the solution: Buy the olive-drab jacket for duck hunting, then when you go after deer, mark the back and sleeves with industrial adhesive tape.

These stripes of bright yellow will distinguish you from the deer.

By MRS. ELMER JOINER

At last summer has arrived, if it is any hotter than spring has been the temperature is going to have to really soar. Just one week has passed since rain fell but the hot weather has dried out the ground so much that we hear folks wishing for rain again.

Mrs. R. O. Clements and her two sons with their families, were visitors with her sister, Mrs. Flavi Holmes, Saturday. The Clements family live at Pampa and are here because of the illness of Mr. Clements' father, Mr. Bob Clements, of Peacock, a patient in the Stamford Hospital.

Mrs. Woodrow Goodwin, who is recuperating from recent surgery, has not been doing as well as she had hoped, but we are hoping that given a little time, she will soon be feeling better.

Visitors in church Sunday helped out our attendance, always glad to have visitors, we welcomed Mr. and Mrs. Jimmy Henry, Cathy and Judy, Midland, who came with his parents, Mr. and Mrs. E. A. Henry. Coming with Mr. and Mrs. Elmer Joiner were, Mr. and Mrs. Jimmy Joiner, Ronald and Jeannie, from Stamford.

Sunday being Father's Day, and the young folks having the devotional, they put on a lovely program, honoring the fathers.

Mr. and Mrs. Marvin Johnson, Bruce and Barry, came from Amarillo, over the week end to visit with their parents, the Grays and Johnsons. His brother, Rev. Dennis Johnson, filled the pulpit at the Nazarene Church this week and next, in absence of the pastor, so all

the family went to hear the son and brother deliver the sermon, excepting one brother who could not be present but his children were there. After church the family spread their lunch in the Fellowship Hall of the church, being joined by Mr. and Mrs. Winson Gray, who had accompanied them to church.

We made a boo boo recently, when we reported that the Marvin Johnsons were gone on vacation leaving the sons with the grandparents which proves that when you are listening for news, you had better re-check to see if you have it right. Any way some of these days they are going and the sons are going to get to stay.

MBR. and Mrs. Joe Ford spent Sunday with their son, H. L. and family.

Mr. and Mrs. Hawk Davis and son, from Midland, visited with her uncle, Mr. and Mrs. Woodrow Goodwin and Linda, Sunday.

We are proud of one of our girls, Nancy Ford, who with Mary Lois Patterson, were picked by the Hamlin School, to attend the Girls State Convention, at Austin, to represent their school.

Mrs. Mary E. Tanner and Larry, were guests of her daughter, Rev. and Mrs. Kenneth Leverett, Kimmie and Kristie, over the week end. Larry played in the tennis tournament, sponsored by the J. C.'s, having won the 18 and under singles and the open men's doubles.

Spencer Ford visited in Abilene, from Thursday to Saturday, with his cousins Ronnie and Russel Herrington.

Mr. and Mrs. E. A. Henry

went to Snyder, Tuesday night, to visit her brother, Mr. J. E. Boyd, of that city, who has been seriously ill in the hospital.

Buster Mackey, nephew of Winson Gray, arrived Saturday morning, from Los Angeles, California, for another visit with the Gray's this summer.

Mr. and Mrs. Henry report that their son, Clois Henry, has moved from Snyder to San Angelo, where Mrs. Henry is teaching this summer in the college there, and beginning this fall will be associated with the school system in the administrative field.

Mmes. Carl Young, J. E. McCoy and Elmer Joiner, attended the Jones County council meeting, of the H. D. Clubs, in Anson, last Wednesday.

This coming Wednesday night, the Family Night Committee, of the church, announces an ice cream supper after the weekly prayer service, to

## 250 COUNSELING POSITIONS OPEN IN REHABILITATION FIELD

W. A. Hazlewood, Office Manager of the Abilene office of the Texas Employment Commission, urges Texans of both sexes with college degrees and an interest in

youth, to apply at the TEC office for one of the 250 counseling positions to be filled in preparation for a concerted state-federal effort to upgrade the work skills and employability of disadvantaged youth.

"The success of this intensive effort to motivate and to rehabilitate thousands of Texas youth who are unskilled and unemployed will depend to a great extent upon the caliber of the counselors we are able to recruit to work with them," Hazlewood said.

In pilot projects it has been discovered that young counselors in their early and middle twenties often do a superior

job of working with school drop-outs and other troubled youth. For this reason, Hazlewood urges recent college graduates who enjoy working with youth to apply for one of these challenging positions. Applicants of all ages are needed and are urged to apply, however, "No experience is required, and your degree can be in any field" Hazlewood states, adding that selection will be based on interviews, personal and professional references, and a written examination to be given at the Abilene office on June 27.

An intensive 8- to 10-week training program in techniques of counseling and other aspects of this effort to rehabilitate unskilled, jobless youth will be given counselors selected at a major Texas college beginning around the middle of July. During this training period, trainees will be paid subsistence and transportation costs. This training will be conducted by college teachers.

"Counselors will give intensive personal attention to all employment-related needs of disadvantaged youth, working closely with schools, community agencies, governmental groups, and employers to achieve the best possible utilization and coordination of the community's resources," Hazlewood said.

Additional information and application forms may be obtained at the TEC office at Abilene.

## AGENT SAYS NOW IS THE TIME TO DECIDE TO SIDEDRESS COTTON

It's time for a decision on whether to apply fertilizer to cotton in a sidedress operation, says County Agent Kirby Clayton.

The application of adequate plant nutrients in proper balance to meet the requirements of the cotton plant is now accepted as being one of the most profitable practices on the Plains. In producing 1½ bales cotton an acre, about 65 pounds nitrogen, 33 pounds phosphorus (P2O5), and 44 pounds potash (K2O) is actually removed from the soil in the lint, seed and burs. If the soil is not capable of meeting these demands it then becomes necessary to add the nutrients in one form or another, usually as commercial fertilizer. The best method presently known for determining the soil nutrient status is the soil test.

It is usually considered desirable to apply about half the nitrogen and all the phosphate and potash (where needed) as a preplant on irrigated cotton. However, the fertilizer can be applied as a sidedress with equal response if certain factors are kept in mind, continues the agent. By following the preplant plan just mentioned, a possibility of early deficiencies can be avoided. Also, the use of additional nitrogen—preferably by the time squares begin to set—can be increased or decreased, depending on the season and general crop prospects.

Some dryland producers prefer to delay fertilizer application until the crop is to a stand or until the moisture situation appears adequate. On sandier soils known to be deficient in plant nutrients, the use of fertilizer has been profitable for the past several years. On sandy soils with very low organic matter that have produced very short stalks in seasons of favorable rainfall, up to 30 pounds of nitrogen per acre has paid good dividends. Where phosphorus is extremely low, phosphate has been necessary along with the nitrogen to get the desirable increases. Up to 20 to 30 pounds P2O5 should be considered.

Cotton has its heaviest nutrient requirement while actively fruiting. For best response fertilizers should be applied ahead of this period. Where phosphate is used it is essential the material be placed deep enough so that it will be within reach of the permanent roots. If phosphate is placed near the surface where subjected to the

alternate drying and wetting it cannot be utilized by the plant since it moves little from the point of application. Nitrogen moves freely with soil water and for this reason its replacement is less critical.

Another important factor to consider in placement is the hazard of root pruning that can damage the crop. Determine the extent of the lateral root

system with a spade. Then apply the fertilizer just ahead of the rapidly expanding root system. For older cotton, it would probably be best to apply fertilizer in the center of the middle to minimize pruning. In either case one chisel per middle is suggested.

Sidedressing offers an excellent opportunity to balance out your fertilizer use program for

this cotton crop. If preplant application was omitted or you think it was inadequate to produce the yields you have the potential of producing with the season, additional fertilizer will probably pay. If you applied sufficient fertilizer earlier, some of your nitrogen may have lost through leaching if you have had heavy rain fall on the sandy soils.
